## Announcements and Updates

**Worship this Weekend** -- This Sunday August 16th Pastor Mark will be preaching from Heb 10:19-25 with a message entitled "Worshipping in a Quaranteam."

**Honoring Hermina** -- On Sunday, August 16, we will be having a short send-off for Hermina following the morning service. We are hoping to bless her with a card shower, sharing some of your thoughts, memories, good wishes to her in a personal card. There are cards available for you on the information table in the gathering area. Although You can bring one with you on the 16th, you can also send these to her at her daughter's house where she will be staying initially.

The address is:

Hermina Kiel

c/o Julie Smith

704 Village Lane

Jennison, MI 49428

*(FYI: Cell phone number will remain the same)*

**Second Offering Today: GEMS** -- GEMS stands for Girls Everywhere Meeting the Savior, and is Bethel's ministry for girls in grades 1-6, and meets together the first and third Wednesdays of the month during the school year. They meet for Bible Study, prayer, crafts, service, games and small group discussion. This year the theme is "Friendened," based on the scripture John 15:15: "*I no longer call you servants...instead, I have called you friends, for everything I have learned from my Father I have made known to you.*" Any support is appreciated to help with the cost of curriculum and craft materials.

**"Church Chat" Coming up on Sunday, August 30** -- As we enter the Fall season, we're looking forward to starting up our mid-week programs, including children and adult ministries. But much like with the opening of schools around the country, there are questions about how we plan to do things, given the coronavirus. We'd like to hold a brief meeting right after church on August 30, where Pastor Mark and some of the elders will share about our plans, and answer the key questions about where we're headed.

**Bring Your Masks** -- There are many masks available through the internet and community businesses, and at this point, it's likely that many of you have developed a preference for your mask fit and fashion. We will

continue to make masks available for visitors and people who forget to bring their own, but please consider bringing your own mask to service until the mandate has been lifted.

**Substitute Teachers Needed at CCS** -- Do you enjoy working with children? If you, or someone you know, is interested in substitute teaching at Community Christian School for the 2020-2021 school year, please contact Amy Banks at [abanks@ccspease.com](mailto:abanks@ccspease.com) or call 320-369-4239 for more information.

Paul the missionary had made his summer mission trips around the United States and the world! The church office received great photos of Paul in California! These are posted on our facebook page. We hope Paul had an impact wherever you sent him as well!
