IN CASE YOU MISSED IT: LAST WEEK'S MESSAGE - Pastor Mark began a new series on "Life's Frequently Asked Questions" beginning with "How Can I Know God's Will?" We often get confused as we try to do what God wants, because we are uncertain about the right path, and wonder if God has something specific marked out for us, and we need to wait for a clear sign or direction ... or if we should just move forward with the best information and "hunch" we have at the moment. How do we understand -- and then live out -- God's will for us?
