

Level 1 (grades 2-4) Class Descriptions & Pictures

2-day Classes

Birdhouse and Bird Feeder: Give the birds in your backyard a home of their own and a place to eat

Canvas Painting: Using canvas and paint, you will make a beautiful art project

Creative Snacks: Make some creative snacks to brighten snack time!

Face Painting: From small designs to full face designs, learn the art of face painting

Geometric Art: Create a painting using geometric shapes for a really nice finished piece of art

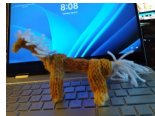

Ice Cream Sandwiches: Bake some chocolate chip cookies and turn them into an ice cream sandwich

Polka Dot Flowerpot: Create a polka dot flower pot and add flowers to make it beautiful!

Reverse Tie Dye: In this type of tie dye a dark shirt is used and a design is made by getting rid of the color wherever you want the design to be

Spool Weaving: You will be using a special tool (which you will bring home) to make a project using different colors of yarn.

Tie Dye: Use a variety of techniques, vibrant colors, and your creativity to create your own t-shirt masterpiece to wear all year long!

Level 1 (grades 2-4) Class Descriptions & Pictures

4-day Classes

Dance: Learn about moving with the music in praise and present a dance with your class for the Art Show.

Face Flowerpot & Fairy Garden: We will create a face for our flowerpot and create a miniature garden that fairies (and gnomes) can call home.

Friendship Post: Paint a square post with designs, words, flowers, etc.

Gumball Machine: We will be painting, decorating, gluing and then filling!

Stencil on Wood: Use a stencil and paint to make a beautiful design on a plaque

Treasure Box: Make a box that ends up a treasure even if you don't put your own treasures in side of it.
