

# The Renewed Life

## Key 1: A Commitment to LIFE

Luke 5:16

### TO LIVE THE RENEWED LIFE WE MUST:

1. Develop the quality of \_\_\_\_\_
  - This quality is \_\_\_\_\_ like never before
  - Without it, \_\_\_\_\_ (*Prov. 25:28*)
  - It is a key quality of \_\_\_\_\_  
(*Gal. 5:22-23, 2 Tim 1:7*)
2. Deeply \_\_\_\_\_ (*1 Cor. 9:24-27*)
3. Take \_\_\_\_\_ (*Luke 5:16, Isa 40:31*)

*The Principle:*

*If Jesus felt the need to spend significant time with the Father, in order to keep his mind and heart straight ... \_\_\_\_\_ ?*

**KEY 1: COMMITMENT** - We are developing a vision for self-mastery in our lives -- and a plan for getting there. We daily seek to live with joy and peace, in a world where these seem to be in short supply.
