Bethel Art Camp

# CLASS DESCRIPTIONS

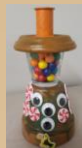

## LEVEL 1 (Grades 2-5)

(Campers will choose 1 Core and 2 Electives for the week)

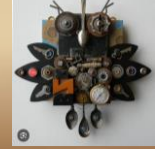

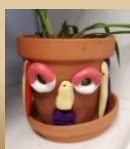

### Core Classes (5 days – campers will choose 1):

- Dance** - Learn about moving with the music in praise; present a dance as a class for the Art Show.
- Fairy / Gnome Garden** - Create a miniature garden that fairies and gnomes can call home.
- Gumball Machines** – Paint a clay pot and add a small clear jar to make a fun way to store gumballs.
- Learn to Play Ukulele** - Learn basic chords, strum patterns, and play songs by the end of camp.
- Treasure Box** - Build a wood box to keep small treasures in, design a cover tile, learn nailing, gluing, tile setting, and grouting.
- Watercolor Painting** - Dive into the world of watercolor painting with basic techniques, color mixing, brush control, and composition. Create paintings that can be framed and displayed.
- Wooden Owls** – Using wood pieces and feathers, make cute woodland owls for yourself and to share.

### Elective Classes (2 days – campers will choose 2):

- Clay Face Flowerpots** – Using clay pieces to create a face, turn a flowerpot into a friendly creation.
- Decoupage Art** – Use mod podge to decorate projects like a journal or sketch book to make it your own and complete another project of your choosing.
- Flower Creation** - Use artificial flowers to create a masterpiece in a clay pot.
- Gem Art** - Make stickers, key chains, or coasters using colorful gems to create unique gem projects.
- Geoboard Art** – Use a geoboard to create a one-of-a-kind string masterpiece.
- Geometric Art** - Create a colorful painted canvas using geometric shapes.
- Ice Cream Sandwiches** - Make cookies, press ice cream between them, add sprinkles, and enjoy.
- Junk Art** – Take apart VCRs and other junk items and turn the pieces into works of art.
- Reverse Tie Dye** - A dark shirt is used and, by getting rid of the color, a unique design is made.
- Sock Puppets** - Create your own unique hand puppet using a sock and decorations.
- Tablet/Cookbook Stand** – Build, sand, and stain a hands-free wooden stand for a tablet/cookbook.
- Tie Dye** - Use a variety of techniques, vibrant colors, and your creativity to create your own t-shirt masterpiece to wear all year long.

# CLASS DESCRIPTIONS

## LEVEL 2 (Grades 6-8)

(Campers will choose 1 Core and 2 Electives for the week)

**\*There will be an additional \$10 fee if you take a \*woodworking class**

### Core Classes (5 days – campers will choose 1):

- \*Adirondack Chair** - Build a wooden Adirondack chair to enjoy sitting in by a campfire or the lake.
- Dance** - Learn about moving with the music in praise; present a dance as a class for the Art Show.
- Fairy / Gnome Garden** - Create a miniature garden that fairies and gnomes can call home.
- Introduction to Anime** - We will be learning how to draw anime characters step by step.
- Learn to Play Ukulele** - Learn basic chords, strum patterns, and play songs by the end of camp.
- Treasure Box** - Build a wood box to keep small treasures in, design a cover tile, learn tile setting, and grouting.
- Watercolor Painting** - Dive into the world of watercolor painting with basic techniques, color mixing, brush control, and composition. Create paintings that can be framed and displayed.
- Wood Burning** - Trace a design onto wood and using a wood burner to create a unique piece of art.

### Elective Classes (2 days – campers will choose 2):

- Clay Face Flowerpots** – Using clay pieces to create a face, turn a flowerpot into a friendly creation.
- Decoupage Art** – Use mod podge to decorate projects like a journal or sketch book to make it your own and complete another project of your choosing.
- Felt Friends** - Learn how to sew a stuffed friend out of felt.
- Floral Wreath** – Make a flower wreath to brighten your home using silk flowers and ribbons.
- Gem Art** - Make stickers, key chains, or coasters using colorful gems to create unique projects.
- Geoboard Art** – Use a geoboard to create a one-of-a-kind string masterpiece.
- Geometric Art** - Create a colorful painted canvas using geometric shapes.
- Ice Cream Sandwiches** - Make cookies, press ice cream between them, add sprinkles, and enjoy.
- Junk Art** – Take apart VCRs and other junk items and turn the pieces into works of art.
- Macramé Flowerpot Holder** - Weave together a twine holder for a favorite vase or flowerpot.

**Mug Tree** - Build a handy wooden Mug Tree that sits on a counter; holds 6 mugs.

**Painted Wall Hanging** - Stain wood pieces, add some paint and three-dimension work to complete a personal design ready to hang.

**Reverse Tie Dye** - A dark shirt is used and, by getting rid of the color, a unique design is made.

**Stencil on Wood** – Paint a white background, then choose from stencils, free hand painting, or a combination of both to design your own wall hanging on wood.

**Tie Dye** - Use a variety of techniques, vibrant colors, and your creativity to create your own t-shirt masterpiece to wear all year long.

**\*Woodworking – Footstool** - Put together a wooden footstool to rest your feet on while sitting.

**\*Woodworking - Side Table** - Make a wooden side table to use next to an outdoor chair.
